

House Screening Template

You're Invited to a screening of the PLAN C documentary

Join us for a cozy evening watching and discussing the story of activists and providers starting to mail abortion pills in the US, during the pandemic and fall of *Roe*. We'll talk after about ways people are taking action and sharing information to ensure people know about pills by mail, no matter where they live. Event Details:

- What: PLAN C Documentary Watch Party
- Where: [Host's home address or virtual meeting link]
- When: [Date and Time]
- RSVP: [RSVP instructions or link]
